

Elizabeth Bachman

Speaker, Author, Presentation Trainer,
Opera Director

From “Talking Head” to Super Star Presenter!

Speaking for Profit and Impact

Elizabeth Bachman is passionate about helping people shine on *any* stage. Using her 30 years of experience as an International Opera Director, directing such luminaries as **Luciano Pavarotti & Placido Domingo**, she now works with business professionals, authors & speakers to help you find your unique voice, stand in your power and show the world the Star that you are.

She is the author of *Taking Your Show on the Road: How to get Booked as a Speaker*, the ultimate guide to getting speaking gigs.

Fluent in 5 languages, Elizabeth has directed over 50 operas around the world, giving her a wealth of tools to help business professionals become **fabulous** presenters.

What Clients Are Saying:

“Until I met Elizabeth, I had no idea there was so much science involved in public speaking. Now my speeches have more than tripled my audience’s engagement and response. Elizabeth is supportive, creative and incredibly knowledgeable. She is FABULOUS!”

-- R. Owens, Central Branch Mgr., US Bank

What People Who Book Elizabeth Are Saying:

My audience loved Elizabeth’s compelling presentation! Warm-hearted and clear, she created genuine connection with the audience. I will truly be honored to have Elizabeth speak again. -- Jessica Hadari, FEM Talks

Elizabeth shows you and your team how to:

- Create **compelling presentations** that appeal to busy listeners - your potential buyers or even in-house management
- **Inspire** your listeners to take **quick, decisive action** to buy your idea, product or service!!
- **Win more clients – increase your revenue**

Speaking in public is one of THE best ways to promote your business or practice. Speaking to inspire your team or impress your colleagues is the key to having greater impact. Join Elizabeth Bachman as she shares her 30 years of expertise as well as *specific success strategies* for becoming a Fabulous Speaker. Elizabeth shows how to *make your talk compelling*, and how to deliver it in the most effective way so that you reach every ear – and every heart – in the audience.
